A Citizen Petition with FDA: Immediate Revocation of the Emergency Use Authorizations (EUAs) for COVID Vaccines and Restraint for Licensing Them

Position

+ More

In this petition, Dr. Meryl Nass and Mr. Robert F. Kennedy, Jr. requested the Acting Commissioner of the FDA to *"issue, amend, revoke, or refrain from taking the administrative actions on EUAs, current and future new drug applications, and biologics license applications for all COVID vaccines."*

The grounds of the statement consist of :

- Safety data from Vaccine Adverse Event Reporting System;
- Effectiveness data of COVID Vaccines;
- Misbranding of COVID vaccines
- Alternative COVID therapies;
- COVID among children;
- Servicemembers' prior consent;
- Coercion and compulsory vaccination.

> ***"The reason Americans are unaware is because the FDA has failed to provide and enforce accurate public messaging. Reversing this trend is imperative; the FDA must comply with law."***

Division of Dockets Management
Department of Health and Human Services
Food and Drug Administration
Acting Commissioner Janet Woodcock, M.D.
5630 Fishers Lane, Room 1061
Rockville, MD 20852

Dear Acting Commissioner Woodcock:

Enclosed is a Citizen Petition filed on behalf of Children's Health Defense by Meryl Nass, M.D., Scientific Advisory Board member, and Robert F. Kennedy, Jr., Board Chair and Chief Litigation Counsel, requesting that the FDA revoke Emergency Use Authorizations for existing COVID vaccines and refrain from approving and licensing them.

Dr. Nass and Mr. Kennedy look forward to your timely review of this petition. They are available to answer questions and to provide any additional relevant information.

Sincerely yours,
